## Photograph Release

To Our Clients -

There may be times during your physical therapy treatment when we recommend using photographs of you for feedback and educational purposes. We also may wish to use these photographs to better inform your physician of your condition; and, if necessary, we may share your photograph with your insurance company for further explanation of treatment or medical necessity for treatment.

May we have your permission to take and share photographs of you for any or all of the above mentioned purposes? \_\_\_\_\_Yes  
\_\_\_\_\_No.
